## TO ALL IBEW FIRST DISTRICT LOCAL UNIONS

Greetings:

The Canadian Standards Association (CSA) Group is conducting a survey on Codes and Standards for the electrical industry.

They have developed two (2) electronic surveys that will take approximately 10 minutes to complete. Responses are sent directly to a research firm and individual emails/contact information is not requested as all responses are anonymous.

The link to the survey can be found at: <https://survey.alchemer.com/s3/7224062/f8be3ff27816>

The survey will close in ten (10) days, please share with your membership widely.

Thank you in advance for your participation which will assist to better understand the needs of electricians in Canada.

In solidarity,

Russ Shewchuk  
International Vice President
